APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all existing rights on the source. It is understood that the 2.0 c.f.s., herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the amount of water actually placed to a beneficial use. A suitable measuring device must be installed and accurate measurements of the water placed to a beneficial use must be included in the proof of such use when filed. The State retains the right to regulate the use of the water herein granted at any and all times.

This permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The total combined duty of water under Permits 45166, Certificate 13437; 45168, Certificate 13438; 45169, Certificate 13439; 45170, Certificate 13440; 45642, Certificate 13442; 51397, Certificate 13860; 54874, 54875, 54891, and 60665 shall not exceed 3,164.55 million gallons annually.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

A monthly report shall be submitted to the State Engineer within 10 days from the end of each month which shall include the amount of water diverted and the amount of water used.

(CONTINUED ON PAGE 3)

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 2.0 cubic feet per second, **but not to exceed 471.81 million gallons annually.**

Work must be prosecuted with reasonable diligence and be completed on or before:

September 1, 2007

Proof of completion of work shall be filed before:

October 1, 2007

Water must be placed to beneficial use on or before:

September 1, 2009

Proof of the application of water to beneficial use shall be filed on or before:

October 1, 2009

Map in support of proof of beneficial use shall be filed on or before:
